GHX EINVOICING

REDUCE COSTS AND COMPLEXITY WITH ONE SOLUTION FOR ALL YOUR ELECTRONIC INVOICING NEEDS

How do you achieve simple, efficient and compliant e-invoicing across Europe?

With uncertainty around rules and regulations, different standards from country to country, multiple connections and delayed payments due to non-compliance, it's not surprising that many companies find meeting electronic invoicing regulations in Europe complex *and* costly.

GHX eInvoicing can help you cut through the complexity and help improve your cashflow, with a single solution that makes delivery and payment of electronic invoices simpler and faster.

Part of the GHX Global Network

The largest community of healthcare supply chain trading partners, the GHX Global Network connects supply chain, finance and clinical professionals with their suppliers and partners. The 5,600+ provider organizations and 400+ manufacturers and distributors in this community are working together to drive billions out of the cost of the healthcare supply chain.

Uniting the best of healthcare™

Take a unified approach with GHX eInvoicing

Managing multiple service providers and multiple processes can slow down your business and clog up your cashflow, so it makes sense to take a more streamlined approach.

GHX eInvoicing gives you a single solution for managing your e-invoicing requirements across all your European markets.

With one partner and one connection, you can simplify your processes and achieve better operational efficiency.
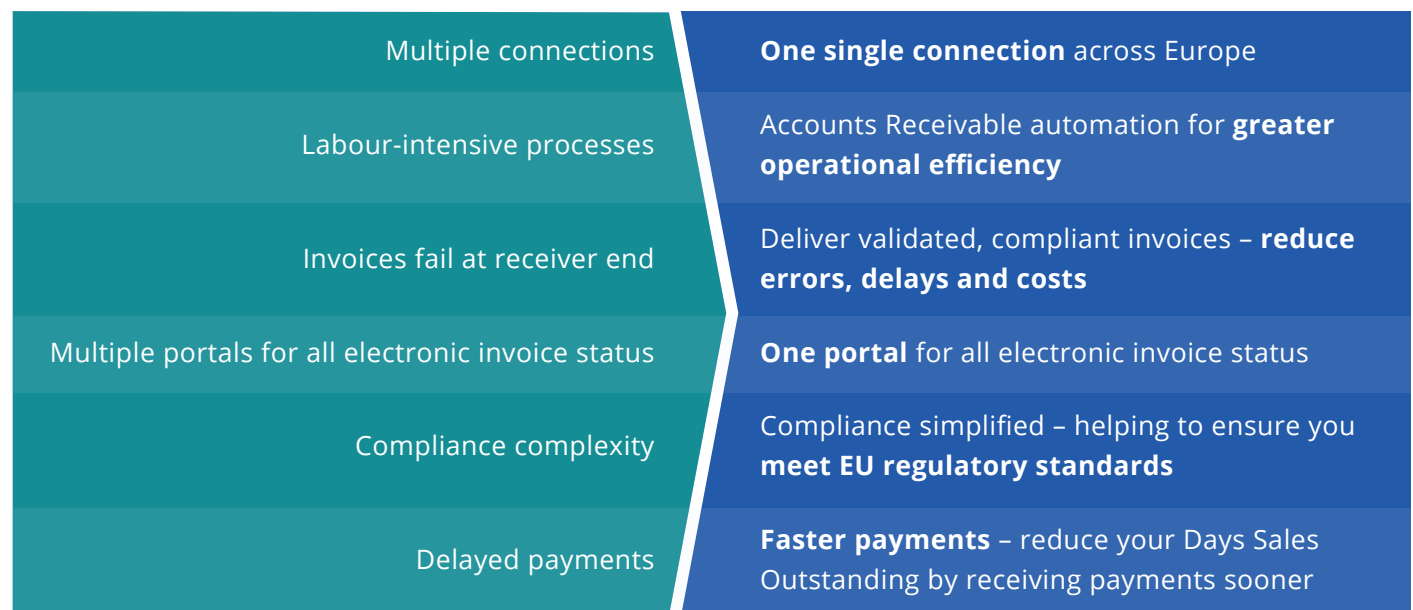

And because your invoices are validated for compliance *before* they reach the receiver, you can get paid faster and improve your cashflow.

Helping you meet your e-invoicing needs across Europe

With clear business benefits, switching to a unified approach with GHX can help you take the cost and complexity out of e-invoicing.
