

ePay

ONE PLATFORM. MULTIPLE STRATEGIES. EXPONENTIAL VALUE.

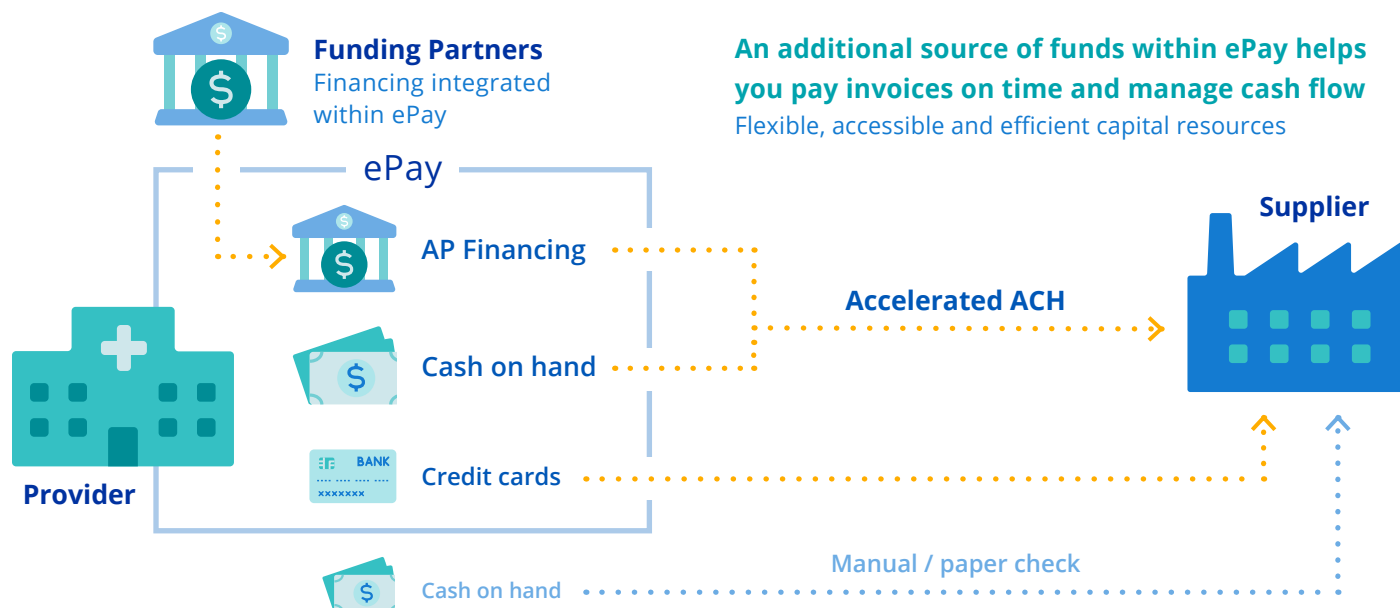

AP Financing

Volatile financial markets, competing priorities and limited resources can lead to unforeseen constraints on cash flow and access to liquidity for healthcare providers. This, in turn, applies pressure on a singular supplier payment solution.

Be ready to navigate these challenges with a working capital solution that provides multiple payment strategies in one platform designed specifically for healthcare providers and their suppliers. GHX ePay lets you source and direct funds where needed when needed for supplier payments on your terms.

How can AP Financing with ePay help?

- Extend DPO (Days Payable Outstanding) by 30-90 days
- Improve your cash conversion cycle
- Capture more rebate opportunities
- Access competitive cost-of-funds
- Zero non-usage fees
- Diversify your lending partners
- Help stabilize your balance sheet
- Fast and frictionless implementation

An additional source of funds within ePay helps you pay invoices on time and manage cash flow
Flexible, accessible and efficient capital resources
